Plague - rat destruction - Establishment - Bellary Municipality - retention for 6 months - sanctioned

Read:— Bellary Municipal Council Chairman's N.Dis. C .C. 2035/19-12-29 on Municipal Health Officer's No.P.82-2. dated 16-12-29.

O R D E R

The Municipal Health Officer, Bellary, submitted a report for the retention of the rat destruction staff for a period of 6 months from 1-12-29 to the Chairman Municipal Council, Bellary on 12-11-29. At a meeting held on 14-12-29, the Council refused to sanction the retention of the staff without assigning any reasons. In my opinion, failure to sanction the retention of the staff amounts to wilful refusal to carryout reasonable plague preventive measures and it is likely to endanger public Health since plague is very severe in the western taluks and in the Nizam's Dominions and Mysore State. I therefore suspend under the powers vested in me under Section 36(2) of the District Municipalities Act, the said resolution and order under Section 37, the retention of the rat destruction establishment for a period of 6 months from 1-12-29 the cost of this establishment being met from Municipal funds.
